Support with the cost of meals

If you receive government-funded support, you may be able to get help with the cost of your meals.

The prices shown in this menu are the co-payment (out-of-pocket) costs for customers receiving Support at Home funding. This means that you pay for the cost of ingredients and your Support at Home funding pays for the meal preparation and delivery. The full cost of the meals is shown at the back of the menu. Tender Loving Cuisine also works with programs such as:

- **Commonwealth Home Support Program (CHSP)**
- **National Disability Insurance Scheme (NDIS)**

If you are unsure whether your funding covers meals, speak with your Care Partner or contact our team for help.

Choosing your meals

This menu covers a wide range of comforting, home-style meals, sandwiches, desserts and snacks, so you can enjoy the foods you know and love. Helpful icons appear next to each meal to guide your choice. These show options suitable for specific dietary needs such as gluten-free, dairy-free, good source of protein, good, or excellent, source of fibre.

Our kitchen takes care to keep allergens out of certain meals, but please be aware that food is prepared in areas where food containing allergens may have previously been prepared. This may include: nuts (including peanuts), various seed products (including sesame seeds), sulphites, milk, gluten, soy, egg, fish, and crustacean products.
